

GOVERNMENT COLLEGE MANANTHAVADY

WALK WITH A SCHOLAR PROGRAMME 2018-19

ANNUAL REPORT

Government College Mananthavady conducted various programmes for the academic year 2018-19. They involve internal and external mentoring, motivation visit, participation in various training programmes by internal mentors, participation in district and state camps by scholars, mock test etc . As there was flood and heavy rain in Wayanad district especially Mananthavady Taluk, mentoring could not be conducted properly up to October 2018. Most of the programmes were conducted since November 2018.

There were 90 Mentees selected from the four departments of the college; that is, B.Com, B.A. English, B.A. Dev. Economics and B.Sc. Electronics. Their selection was based on screening of their Marks, Interests, Potentials and Capabilities. Each group was divided into five batches consisting of six mentees each. Each batch is aided by a mentor at a time. The mentees of this programme are benefited by two mentoring sessions, that is, internal mentoring session and external mentoring session. Each mentor took ten internal mentoring sessions. There were three external mentoring sessions which were handled by experts from various fields.

The WWS activities of Government College Mananthavady are described below:

Internal Mentoring:

Internal mentoring of WWS scholars are conducted in the college properly. All mentors had done mentoring more than 10 sessions (they need to take only 10 sessions). They understand the problems of mentees and help them to solve their problems to achieve their goals. They motivate the mentees regularly and act as a guide and friend.

Motivation Visit

Govt. College Mananthavady conducted a motivation visit for third and second year scholars to Indian Institute of Management Kozhikode and Cochin institute of Science and Technology on 14th, 15th and 16th January, 2019. The proposal for the visit had been sanctioned by the state coordinator, New Initiatives of WWS & SSP, Department of Higher Education, Govt. of Kerala and monitoring committee that is constituted in the college for monitoring WWS Programme and SSP. The permission for the study tour had sanctioned by the principal, Govt. College Mananthavady. Thirty scholars (23 girls and 7 boys) participated in the visit. Three teachers (WWS coordinator and two lady teachers) accompanied the students. The visit helped the students to understand the opportunities before them for their higher education and research. The visit was very interesting and motivating one for students. It was a first experience in IIM Kozhikode and CUSAT for almost all the scholars. In this visit, students got opportunities for interacting with faculties and students in these institutions. They could know importance of IIM Kozhikode and CUSAT and their programmes.
